Missionary Moment

Elder Cort Rigby - Ecuador Guayaquil East Mission

Cort.rigby@missionary.org

About 2 weeks ago we had a baptism for our friend Anthony. Anthony is the most humble 20 year old guy I've ever met. Here we always invite our friends to be baptized our first contact, so we invited him and he accepted the date. We went back and taught him more about baptism and the importance. We gave him a Book of Mormon as well and told him to read a certain chapter. He said okay I can do that. The next lesson he still wasn't sure about his baptism. We taught the restoration and told him to read and pray tonight to see if what we taught was true. The next day we stopped by and one of the first things he said was, "I want to get baptized." What a miracle. I invite you all to act in your faith even if feel like you don't have a lot. God will bless you if you give effort.

I love you all and miss you tons. Don't be afraid to reach out. It gets boring here somedays haha. Quick shout out to Peti and Gracie. Both of their birthdays were in the past 2 weeks. Love you all!

Building Cleaning

We are excited to announce a new process for scheduling church cleaning assignments to streamline and add some flexibility to the church cleaning schedule for the Cherry Creek Ward.

An e-mail was sent to everyone with a link. Feel free to start signing up for the day of your choice.

If you need to clean earlier than Saturday, you can clean on Thursday or Friday. You will need to make special arrangements to get the key from Brother and Sister Kjerengtroen.

Do you have something you would like in the ward bulletin?
